Life Reflections of Larry J. Peoples Jr

Larry Jay peoples Jr. was born January 10, 1967 in saint Louis Missouri to Larry Peoples Sr and Glender Darlene Oliver.

Larry was educated in the Saint Louis Public Schools. He attended Beaumont High School with most of the friends he had made in middle and grade school. Friends that have been around since the playground.

Larry accepted Jesus Christ as his Lord and Savior and became a disciple of the Mount Pisgati Christian church under the leadership of Elder Aaron Houston.

Larry's Daughter "Tionna" proceeded him in death.

Larry married Stacy Wicks and was happy for some time. Larry later married Audriel Williams and found happiness with her. Larry Loves the sons he created. And loved the daughters even more.

Larry lived a life full of adventure and excitement. He loved shopping and finding the best deals. He like to dress and accumulated so many different clothing.

Larry loved his children, family and friends. Larry made friends wherever he went in life. His special interest was dogs and cars with beats. He was a very comical person that he would keep you laughing with certain sayings when you call on the phone. He would say things like, "Speak quick before I click, take too long and il be gone!" or "How may I help you! "

Larry leaves to cherish his memories; (wife) Audriel Williams, Son Kenlin,
